THE KIRK DECISION - A LEVELLING OF THE PLAYING FIELD IN NSW OHS PROSECUTIONS

HWL Ebsworth's Workplace Relations and Safety Group, in partnership with the National Safety Council of Australia, would like to invite you to a breakfast seminar to discuss the implications of the recent High Court decision in *Kirk v Industrial Relations Commission and WorkCover NSW*.

OHS specialist Michael Connolly and Partner of the Group, Bryan Belling, will look at how the High Court's decision has potentially changed the way in which prosecutions are commenced and eventually decided by the NSW Industrial Court, thus levelling the playing field by effectively activating the previously redundant defences under the *Occupational Health and Safety Act 2000*.

This decision has implications for all OHS decision makers including CEO's, OHS managers, HR Managers and OHS professionals. We look forward to you joining us for this informative seminar.
