

NSCA CORPORATE PATRON

AN EXCLUSIVE INVITATION

We invite you to partner with the NSCA and become an NSCA Corporate Patron.

The National Safety Council of Australia (NSCA) is a not-for-profit organisation that has helped thousands of Australian organisations improve their safety management and reduce the risk of injury and fatalities. With more than 80 years of safety industry experience, we represent more than 3,000 members around the country. The NSCA's national Patron is Her Excellency Ms Quentin Bryce AC, Governor General of the Commonwealth of Australia.

NSCA is committed to helping manage risk more effectively and protect Australia's most important asset – people.

We do this by offering a wide range of safety training, consulting and auditing services. To spread our safety message we also publish the *National Safety* magazine and a fortnightly Safety E-Bulletin, and host the annual National Safety Awards of Excellence.

For more information about NSCA partnerships, please contact your local NSCA Business Development Manager on 1800 655 510 or email sponsorship@nsca.org.au
